

### Higher Classification<sup>1</sup>

**Kingdom:** Fungi, **Phylum:** Ascomycota

| Class (C:), Order (O:) and Family (F:) | Scientific Name <sup>1</sup>       | English Name(s) <sup>2</sup>                               |
|--|------------------------------------|--|
| C: Geoglossomycetes (Earth Tongues)    |                                    |  |
| O: Geoglossales                        |                                    |  |
| F: Geoglossaceae                       | <i>Trichoglossum hirsutum</i>      | Black Earth Tongue   |
| C: Leotiomycetes                       |                                    |  |
| O: Helotiales                          |                                    |  |
| F: Bulgariaceae                        | <i>Bulgaria inquinans</i>          | Black Bulgar   |
| F: Helotiaceae                         | <i>Chlorociboria aeruginascens</i> | Green Elfcup, Green Wood Cup, Green Stain Fungus           |
| F: Leotiaceae                          | <i>Leotia lubrica</i>              | Jellybaby  |
| F: Vibrisseaceae                       | <i>Vibrissea truncorum</i>         |  |
| O: Pezizales                           |                                    |  |
| F: Helvellaceae                        | <i>Gyromitra infula</i>            | Hooded False Morel, Elfin Saddle                           |
|  | <i>Helvella macropus</i>           | Felt Saddle Fungus   |
|  | <i>Helvella</i> spp.               | Elfin Saddles  |
| F: Pyronemataceae                      | <i>Cheilymenia theleboides</i>     |  |
|  | <i>Scutellinia scutellata</i>      | Eyelash Cup  |
| F: Sarcoscyphaceae                     | <i>Cookeina speciosa</i>           |  |
|  | <i>Cookeina venezuelae</i>         |  |
| C: Sordariomycetes                     |                                    |  |
| O: Hypocreales                         |                                    |  |
| F: Clavicipitaceae                     | <i>Ophiocordyceps melolonthae</i>  |  |
| O: Xylariales                          |                                    |  |
| F: Xylariaceae                         | <i>Daldinia</i> sp.                |  |
|  | <i>Xylaria globosa</i>             |  |
|  | <i>Xylaria hypoxylon</i>           | Candlestick Fungus, Candlesnuff Fungus, Stag's Horn Fungus |
|  | <i>Xylaria polymorpha</i>          | Dead Man's Fingers   |
|  | <i>Xylaria</i> spp.                |  |
|  | <i>Xylocoremium</i> sp.            |  |

NOTES:

Short-forms: sp. = one species of the given genus identified; spp. = more than one of species of the given genus identified

<sup>1</sup>, Classification and scientific names based on current classifications as found on MycoBank ([www.mycobank.org](http://www.mycobank.org))

<sup>2</sup>, English names are not standardized for fungi and the English names provided are not considered the definitive names for the given species. English names were gathered from a variety of sources including mushroom identification books and various fungi related websites.
